

Wait ... I have an idea!

Ask the person on your right:

If you were the smartest person in the world, what would you invent?

Ask the person on your left:

What do you think is the best idea you have ever had?

Ask the person in front of you:

If you could change one thing about the world around you, what would you change?

Ask the person behind you:

Do you think you can change the world? How?
